SYNTHETIC GRASS SUPPLIER

## PACIFIC BLEND

SKU: PACIFIC-BLEND

The combination of a narrow and wide 3D wavy yarn help this turf to be both remarkably comfortable to the touch and stoically retains its shape after footfall. It's soft yet durable, making it the best of both worlds. This extra stability and deluxe texture is accredited to its very diverse shape. In addition to the aforementioned benefits, the structure of the 3D Wave shape deflects hot UV sunlight, keeping the color more true and the surface temperature cooler.
